Class 43– Confident Beginner and beyond - $45
Linda J. Hahn
Sea Salt
Thursday, March 21
1:00 pm – 4:00 pm

A really cute and fun quilt to make. Although it looks like there are a lot of triangles, Linda is going to share an amazingly quick and accurate way to creating perfect half square triangles and the use of connector squares that will make the construction go ridiculous fast! A limited number of fabric kits may be available, please inquire with Linda. Kit fee $15.00 is payable to the instructor and includes full color pattern and Triangles on a Roll for the project. Sewing machine required. Visit Linda's web site at http://www.froghollowdesigns.com/.
