FABRICS NEEDED:

Select the boarder fabric first; one with many colors is good, or many shades of one color as in sample. 1 ½ yd. for queen, less for small quilt.

Background fabric is light in sample: You will need 2 yards for couch throw; 2 ½ for twin; 4 ½ for queen. Precut at least 6 – 6" x 12" pieces of background.

For mountains, bring at least 6 quarter yards or fat quarters of any darks that compliment your boarder fabric and your background fabric. Sample shows mixed blues; it would be wonderful in mixed fall leafy prints!
