

## Midnight Stars ~ Class Supply List

Welcome to the *Midnight Stars* workshop!! This wonderful little quilt will take you on a tiny piecing adventure! Prepare to fall in love with small blocks!

Follow the fabric preparation directions and cutting instructions below. I'm really looking forward to meeting you soon!!

---

### ★Preparations:

\* I highly recommend preparing your fabrics with spray sizing!!

This step is optional, but will be an enormous help with every step of piecing, especially with small pieces. Thoroughly and evenly spray, saturating your *fabric yardage before cutting!!* Air dry or press it dry with a dry iron. I use Faultless Magic spray sizing in the blue and white can available at Walmart, Target, and grocery stores. You may need several cans.

\* After sizing your fabrics cut your entire quilt following the cutting directions for the quilt size you've chosen.
