

**Roberta (Bobbie) Bergquist, Vendor Instructor, Quilters Treasure, Rindge, NH**

Bobbie is a quilt maker who strives to keep things simple, quick and fun. What she has introduced to the quilting world is “Applique for Cheaters” – an extension for her simple way to make stained glass quilts. Bobbie and her husband, Joel, have designed a whole line of hand painted marble fabric which is available on their website along with numerous new techniques to make quilting easier. Quilters Treasure produces this line of fabric which is used in many of Bobbie’s stained-glass quilts. She has taught at “American Quilter’s Society, Teach America to Quilt,” and numerous other quilt shows across more than 40 states.
