

Charlotte Angotti, Featured Instructor, Carenco, LA

While shopping with her mother in 1977, (really, that long ago!), Charlotte wandered into a quilt shop and everything changed from there. Educated in fine arts, speech and drama, she brings a variety of talents to the class and in a most humorous way. She has been teaching quilt making since 1978 and teaching nationally/internationally since 1991.

She now lives in the Lafayette, LA area, moving there in 2016. Quilt Maker's Studio was started when Charlotte realized there was a high demand for her kits. The kits are so popular it is difficult to get them online before they are sold out! The kits are laser cut and go together perfectly. They make sewing a quilt simply as good as it gets.

It has been said many times, if you hear laughter coming from a room, there is a good chance Charlotte is in there. Charlotte is known for her humor, her way with color and fabric, her pre-cut kits, and her book, Surprise Yourself! Charlotte believes her hobby is quilt making and her JOB is teaching others to enjoy quilting as much as she does. Visit Charlotte at quiltmakersstudio.com.
