

Class 10 – All Levels - \$45
Michele Crawford
Wool Felt Ornaments
Tuesday, March 3
1:00 p.m. – 4 p.m.

Working with wool felt is a FUN and easy way to complete a hand embroidery project! Michele will teach you how to use freezer paper to make templates for this project (and other appliqué projects). Learn how to sew a buttonhole stitch with embroidery floss to appliqué the design, and to sew the 5” square together. The completed project can be used as a coaster or IF a ribbon hanger is added, then it’s an ornament. Tips and techniques on working with wool felt will be discussed.

Kit fee: \$18 includes wool felt (colors as shown in photo) to make 2 ornaments (your choice – 6 options); one skein of black embroidery floss; one size 22 chenille needle; one 8” length of 3/8” wide black grosgrain ribbon; and the pattern.
