Nancy Lee Chong
The Chong Way to Applique
Wednesday, March 4
8:30 am – 4:00 pm

Once you know my stress-free needleturn techniques you will agree that applique is fun, relaxing and easy. In this workshop you will learn all of the ins and outs of the least time-consuming method of applique. No freezer paper, toothpick, cardboard, plastic, back-basting, starch or interfacing -- just you, your fabric, needle and thread. What could be more basic, and what could be more fun? This is a process workshop, where we will play (not work) with needleturn. A perfect workshop for beginners and even experienced appliquers will discover new and exciting things! Bonus: Learn my unique, simplified fabric placement technique, too! All skill levels welcome.
