Spontaneous Log Cabin

Wednesday, March 4

8:30 a.m. – 11:30 a.m.

Let's have FUN with your scraps! This is a stress free way to create a FABULOUS scrappy log cabin block (12" x 12" square or 15" x 15" square finished) in a creative non-traditional way. Make your squares from the same color family OR in light/medium/dark fabrics. Michele will discuss how to make 7 different quilt sizes with this block.

Please Note: This is a technique class, and the project will not be completed in class.

Kit fee: \$10 includes pattern

Student Supply List

* **Sewing machine** in good working order with a new sewing machine needle – remember the foot pedal and power cord!

Note: *Please know how to use your sewing machine.*

Please be able to sew an accurate 1/4" seam allowance on your sewing machine.

* **60 assorted scraps and strips** (combination of 2" - 4" squares, and 1 1/2" - 3" wide strips x 14" long (various colors, textures, prints) – the more the merrier!

>> You can bring more squares/strips if desired. I am planning on having you complete 3 - 4 blocks.

* One large spool of 100% **cotton thread** - neutral color (medium grey or ecru)

* Rotary cutter (with a new blade)

* **Acrylic rulers** - (a small one like 1" x 6"; or 6" square); and (a large one - 4" x 14" perhaps - whatever size you have - please no 6" x 24" rulers - too long for a small class space)

>> IF you already have a 12 1/2" square ruler, this one is perfect for squaring up the blocks!

* **Cutting mat** (12" x 18" is perfect - please no large ones as it is a small class space)

* **Basic sewing supplies:** straight pins, small hand scissors
