

Class 22 – Confident Beginner and beyond - \$45
Charlotte Angotti
Simple Machine Quilting
Wednesday, March 4
1:00 pm – 4:00 pm

In a half day class learn all the little things you need to start machine quilting. Hints and a few tricks, the practice that you need, and you will be quilting before you know what happened. This class is for the very beginner, afraid of machine quilting, think that it is too much for you to handle.... or those who think it is really simple and just want some guidance before jumping in.
