

Class 23 – See Below** - \$45
Michele Crawford
Lucy Boston Comes to AMQ
Wednesday, March 4
1:00 p.m. – 4 p.m.

**** Skill level: This class is not for EPP beginners, and those attending need to have EPP and/or handwork experience.**

Slow down, relax, and enjoy sewing with English Paper Piecing (EPP)! A SUPER portable project where you can sew on this project anywhere! There are MANY different shapes that are used in creating designs with fabric and thread in EPP! Michele will teach you how to use cardboard stock templates as well as freezer paper ones; plus, the whip, flatback and ladder stitch. Learn how to create the infamous Lucy Boston (a.k.a. Patchwork of the Crosses) design using just squares and honeycombs in 2 different variations of fabric and color; and how the block goes together! The “magic” of this block is how to use, and fussy cut specific fabric (prints, stripes, etc.) to make this block pop! The use of Color Value to make sections of the block recede or move forward will be discussed using a short power point program for inspiration. Directions will also include how to create a nine-block wall hanging using the Lucy Boston block, also.

** All students will need to purchase the kit for this class.*

Kit fee: \$20 includes fabric (will not be the same as in the photo); the EPP templates (cardstock and freezer paper) for all the shapes for 2 different Lucy Boston blocks; thread; and pattern
