8:30 am – 4:00 pm

This wonderful quilt has the most unique block, and what a fun block to piece! I found this antique quilt and had to have it! The block was unlike anything I'd ever seen before and was traditionally pieced with a set-in Y seam. Yuck! So, I redrafted the block to make it without the set-in seam. Yay! You can make your Kentucky Crossroads quilt as a two-color quilt using many fabrics of the same color, or totally multicolor scrappy. The pattern includes instructions for both versions. Join me as we create this wonderfully special block and a truly classic quilt.

Quilt size 78" x 90"

Kit Fee: \$8
