

Class 27 – Confident beginner and above - \$75  
Charlotte Angotti  
Let's Be Friends  
Thursday, March 5  
8:30 am – 4:00 pm.

A mystery class is always fun and this one will also take you on the adventure of meeting the other people in your class. You will be exchanging strips, cutting them up and sewing them into a wonderful pattern. You might even have some strips left over to sew a border!

Using only Batik fabric, we will start with a strip exchange. This will give us a lot of different fabrics/colors to work with. \*\*Batik fabrics are mostly sold at Quilt shops. They are dyed and most of them have no wrong side. When purchasing this fabric for class, remember that you will also be getting fabrics from others and it would be nice if each of you gave your favorite color!

\*Check the supply list before class

**No Kit Fee**
