

Class 32 – See Below** - \$45
Michele Crawford
Mixing English Paper Piecing Shapes
Thursday, March 5
8:30 a.m. – 11:30 a.m.

****Skill level: This class is NOT for EPP beginners, and those attending need to have EPP and/or handwork experience.**

Once you get hooked on English Paper Piecing (EPP), you will discover that there are MANY different shapes that are used in creating designs with fabric and thread. Michele will teach you how to create a hexagon, kite, half kite; and a hexagon third to make a variation of a Rose Star so that when sewn together like a puzzle will form a 12” square Rose Star. You will learn the flatback stitch; and how to use cardstock and/or freezer paper templates. The use of Color Value to make sections of the block recede or move forward will be discussed using a short power point program for inspiration. Directions will also include how to hand appliqué the finished design to create a pillow top.

** All students will need to purchase the kit for this class.*

Kit fee: \$15 includes fabric (will not be the same as in the photo); the EPP templates (cardstock and freezer paper) for all the shapes for one Rose Star; thread; a water-soluble fabric glue pen; and pattern.
