What's A Modern Quilt
Thursday, March 5
6:00 pm – 8:00 pm

This 40-60-minute lecture introduces quilters of all backgrounds to the modern quilt movement. Intimidated by modern quilts? I dispel some of the rumors so every quilter can appreciate the freedom in this new style of creative expression! I bring 15-20 quilts for the trunk show. There's plenty of time for Q&A. Lecture topics include:

- **What makes a quilt modern?**
- **It's a big tent: from traditional to madly modern!**
- **Myth busters: blowing away the myths about what is**
- **(and is not) a modern quilt**
- **Tips for getting started: starting a modern stash**
- **Resources list (master handout provided)**
