

Class 43– All Levels - \$75

Pam Buda

Maximum Students: 20

Plantation Stars

Friday – March 6

8:30 am – 4:00 pm

Stars abound large and small in a dance around the quilt making your eyes dance as well!

Both stars are constructed in the same way. The block arrangement creates a wonderful secondary pattern forming a circular pattern around the large stars! So fun! The open space calls out for wonderful quilting to enhance the design even further. Choose whatever two colors are your favorite to work with. Quilt size: 72" x 81"

I also share wonderful tips on making Flying Geese and creating pieced borders that fit!!

Kit Fee: \$5 Available on day of class from Instructor
