

Class 44 – All Levels- \$75

Klaudeen Hansen

Star in A Circle

Friday – March 6

8:30 am – 4:00 pm

Sample measures 50” x 66”

It is made from all homespun plaids but looks very nice in many colors; ideal for a ‘scrap family’ such as: 30’s reproductions, fall leafy prints, bright moderns, Kansas troubles or Christmas prints.

As long as there is a lot of contrast between lights and darks, you will have an attractive quilt.

Plan to sew the star blocks, with easy Fudge Factor piecing techniques. Lots of tips on how to include multiple fabrics in a well- balanced way.

Kit Fee: \$8.00 pattern fee payable to teacher in class.
