Celtic Ink Work Designs  
Friday – March 6  
8:30 am – 11:30 am

Do you love Celtic designs? Can you trace? Can you color between the lines? Would you like to create an 18” block that looks like smaller blocks that have been pieced yet are one piece of fabric? Create intricate Celtic Blocks with a piece of fabric and a Fabrico Ink Pen. If you use only 20 (18” x 18”) blocks with a 9” overhang will give you a Queen Quilt that covers the pillows & has a 10” overhang. Blocks can be used for quilts, clothing, pillows, bags and more.

Kit fee. \$25/student payable to instructor includes fabric, pattern, Fabrico Pen and printed directions.
