Four Patch Diamonds

Scrappy Squares

Ok, you bought a charm pack so NOW what do you with it? Choose between these 2 designs that use 1 charm pack (forty-two coordinated 5” squares) plus a small amount of a contrasting fabric. Since a charm pack is an “appetizer” of a complete fabric collection, both of these projects are scrappy looking! Michele will discuss the use of Color Value in determining and/or working with light, medium and dark fabric. Michele will share her accurate cutting, piecing, and pressing tips and techniques to help you achieve the finished look you desire.

Two designs – you choose which one YOU want to make!

>**Four Patch Diamonds** has thirty-six 4 ½” square blocks, and the finished quilt is a 27” square.

OR > **Scrappy Squares** has 144 (72 of Block A, 72 of Block B) 2” finished squares, and the finished quilt is a 24” square.

Kit fee: \$0 - * *FREE pattern for this class.*

Student Supply List

* **Your sewing machine** (in good working order) – bring foot pedal, power cord AND a new sewing machine needle.

Note: *Please know how to use your sewing machine.*

Please be able to sew an accurate 1/4" seam allowance on your sewing machine.

* One **charm pack** (forty-two coordinated 5” squares)

* I will have some charm packs to purchase in class.

* 100% cotton **thread** (to match or coordinate with your fabric)

* Coordinating fabric

* **Four Patch Diamonds** needs one 1/2 yard of a coordinating/contrasting fabric for quilt top and binding.

Note: This is the lightest fabric in the quilt that is used for the “sashing” in the blocks.

Please choose whatever color and fabric you desire that will coordinate with *your* charm pack.

OR * **Scrappy Squares** needs one 1/4 yard of a coordinating/contrasting fabric for quilt top)

Note: This is the lightest fabric in the quilt that is in the corners of the blocks.

Please choose whatever color and fabric you desire that will coordinate with *your* charm pack.

* **Rotary cutter** (with a new blade) and small cutting mat (12” x 18”)

* **Clear acrylic ruler(s)** – I suggest a 1” x 6” ruler; a 6” square and/or a 4” x 14”

* **Basic sewing supplies**
