

Class 65 - Bus Tour - \$20  
Kathy Gwinn Let's Go Quilt-Inn  
(Historical Bus Tour)  
Saturday, March 7, 2020  
10:00 am – 3:30 pm

Take a walk back in time with local historian and storyteller, Kathy Gwinn, as she takes you on a most memorable journey. You traveled with us to Historic Churches in Sevier County, then some of the area's most iconic sights and structures; now join us for something completely new in 2020! This year's Bus Tours will focus in on some of the best and most beautiful Country Inns in the Smokies. Once again, we will travel the "back roads", weather permitting, to access these "Grand Ladies" of the Mountains. We will go into the Inns, hear some of their stories about famous people that have stayed there, and see some beautiful hand-made quilts in the process. Each one will also receive a favorite recipe used over the years by the Inn and their family members. The Tour will include between 4-6 Inns and allow time for a lunch spot at one of the Inns or a nearby restaurant. Self-guided tour brochure included in tour cost.

**\*Please Note: Cost of lunch is not included in the price of the tour. Lunch will be at Bush Bean's Welcome Center.)**
