

Plantation Stars ~ Class Supply List

Welcome to the *Plantation Stars* workshop!! This quilt looks great in any two color combination, so choose one background fabric and a bunch of different prints in your favorite color. Then, follow the fabric preparation directions and cutting instructions. The workshop cutting instructions are different than listed in the pattern, to make the units larger, and trim them for perfect results! I'm really looking forward to meeting you soon!!

★Preparations:

* I highly recommend preparing your fabrics with spray sizing!! This step is optional, but will be an enormous help with every step of piecing. Thoroughly and evenly spray your fabric yardage before cutting!! Press it dry with a dry iron. I use Magic Spray sizing in the blue can available at Walmart, Target, and grocery stores. You may need several cans.

* After sizing your fabrics cut your entire quilt following the cutting directions below. It will be very helpful to sort and label the pieces for the large and small Ohio Star blocks, and Flying Geese units, as it will help immensely with assembly.

★Fabrics & Cutting Instructions:

- ♥ 4 1/6 yards of light print for background & pieced border.
- ♥ 1/2 yard EACH of (10) assorted dark prints for blocks & pieced border.
- ♥ 2 yards of dark print for outer border & binding.
- ♥ 5 yards for backing.
