

## CLASS DESCRIPTION

**CLASS NAME:** Diamond Dance

**CLASS #:** 1

**LOCATION:** LC: North 1A

**INSTRUCTOR NAME:** Kimberly Einmo

**DATE OF CLASS:** Tuesday, May 4, 2021

**HOURS:** 8:30 am – 4:00 pm

This brand-new variation of *Kimberly's most popular class* is sure to be another sell-out workshop! You'll need just one Jelly Roll bundle (or 40 – 2 ½" strips cut from your stash) plus one background fabric. The diamond design and quilt layout possibilities are still practically endless, but this version comes with a spontaneous twist! You'll stitch your strips together *randomly* for a vibrant and completely surprising color-scheme! Kimberly will teach you how to strip-piece and cut diamond building blocks from strip units using either her ***Precision Jelly Roll Ruler*** or ***Precision Precuts Ruler*** with no "Y" or set-in seams. You'll focus on accurate and efficient cutting and piecing techniques and Kimberly will share her best tips and tricks for achieving perfect, flat blocks with sharp star points. The real fun comes as the quilt is assembled with straight-set blocks, not diamond wedges or blocks on point. This process of not having to think about fabric placement is truly freeing. So, choose a bundle of strips and join in the fun!

**Kit Fee: \$6 for full-color pattern with photos & illustrations**
