Thread Painting is a technique where the artist paints a photograph onto a piece of fabric, and stitches by machine using free motion (feed dogs dropped, and a darning foot on the machine) over the image so that the image is – usually – completely covered in thread. In this workshop I have printed the image of a little yellow bird for you. All students will receive this printed bird image and a similar size piece of Misty Fuse Adhesive.

Kit Fee: \$5 for printed bird image and Misty Fuse Adhesive

Sewing Machine Required.
