Do you remember how much fun it was to daydream and Doodle? How relaxing it was? It now has a name “Zentangle” ! Now you can Doodle on Fabric and include them in your quilts. Unlike the paper we used before, which was soon discarded, you can turn your Doodles on fabric into quilt blocks that can be put in your quilts to be loved and treasured for years. Create intricate Blocks with a piece of fabric, Pigma Pens and Fabrico Ink Pens. Blocks can be used for quilts, bags, clothing, pillows, and more. This workshop is fun for everyone, and appropriate for all levels. **This pattern uses the Zentangle method of design. Bobbie is a Certified Zentangle Instructor.
