Do you love to make mystery quilts or does the thought of making a quilt for which you have no idea what the finished result will be scare you? Fear not! Whether you are a seasoned veteran and you enjoy the intrigue and suspense of *not knowing* the final outcome or if you have never had the courage to tackle making a mystery quilt before, Kimberly's ultra-popular mystery quilt classes and patterns are *perfect for you!* She has designed the entire process to be simple and stress-free so you can take a risk with your fabric selections or risk nothing at all. Step out of your "quilt comfort zone" and try something new. *If your fabrics have good contrast, look great when lined up together, and match the values given in the fabric requirements table, then they'll look beautiful when sewn together.* Not sure, simply e-mail Kimberly at Kimberly@kimberlyeinmo.com and send her a photo of your fabrics. She'll make sure you're on the right track!
