If you loved *Dreaming Big* with the floral panel last year...get ready to kick it up a notch! We will explore longarm quilting ideas for each petal of the *Royal Beauty* by Oasis Fabrics, filling them with a variety of feathers and fillers. While discussing how to draw these feathers, you will begin to form your own ideas for the panel. There will be a handout full of design ideas for our reference. The handout includes explanations for forming at least ten different varieties of feathers, while putting your own spin on them. These are ten focus feathers we will be discussing: Swirls, Leaves, Background fills, Traditional, Lotus (leafy), Bump back, Hook, Open traditional, Feathers with your favorites, and Swirl feathers.
