

CLASS DESCRIPTION

CLASS NAME: Fractured Flying Geese **CLASS #:** 38 **LOCATION:** LC: North 1A

INSTRUCTOR NAME: Kimberly Einmo

DATE OF CLASS: Friday, May 7, 2021

HOURS: 8:30 am – 4:00 pm

Flying Geese units pack so much design potential and this pretty quilt is Kimberly's fresh new design using just 13- 2 ½" strips plus background fabric! With Kimberly's signature construction method using her ***Precision Flying Geese & HST Ruler*** there is *no math, no wasted fabric, and no stress* to make these fabulous flying geese variations! While learning ways to improve your precision piecing in class, you'll construct these blocks quickly and easily. Kimberly will teach you everything there is to know about the difference between half-square and quarter-square triangles plus how and when to use them effectively in *all* the quilts you make. If you've ever avoided blocks with flying geese, these techniques will open a whole new repertoire in your quilting block arsenal. Come join Kimberly and let her take the fear out of flying geese!

Kit Fee: \$10 for full-color pattern with photos & illustrations
