

CLASS DESCRIPTION

CLASS NAME: Elephants – Two Day Class **CLASS #:** 41 **LOCATION:** LC: North 3A

INSTRUCTOR NAME: Sandra Mollon

DATE OF CLASS: Friday, May 7 and Saturday May 8, 2021

HOURS: 8:30 am – 4:00 pm

In this two day workshop students learn to do raw edge fused art quilting, enhanced with ink, oil pastels, and color pencils (don't panic, not as hard as it sounds). Teacher will demonstrate realistic eyes, and highlighting and shading for textural areas. Emphasis will be placed on choosing correct values to bring your elephant to life.

She will also bring a supply of art media to the class for student use, but if you wish to purchase some for your own use, they are listed in the supply list under suggested media.

Quilting techniques will be demonstrated, but students will not need a machine, as most will not finish the top completely in the workshop. You will have the choice of two different patterns for this workshop.

Kit Fee: \$24.95 for pattern. It is recommended that you purchase the pattern in advance of the workshop and complete all tracing onto freezer paper prior to the class. www.sandramollonquilts.com
