

CLASS DESCRIPTION

CLASS NAME: Spinwheel Star & Flying Geese

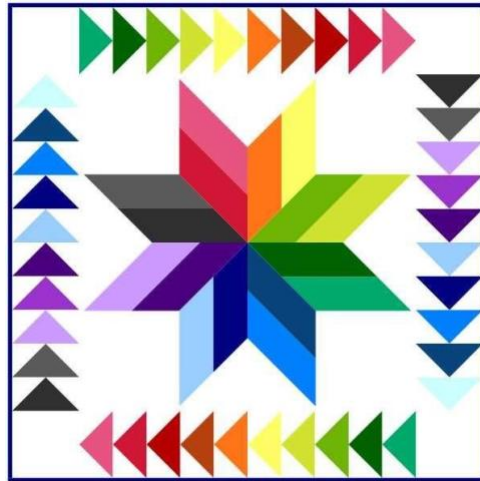

CLASS #: 50

LOCATION: LC: North 1A

INSTRUCTOR NAME: Kimberly Einmo

DATE OF CLASS: Saturday, May 8, 2021

HOURS: 8:30 am – 11:30 am

Come spend a fun, informative and inspiring day I class while you create your own stunning, rainbow-colored wall hanging! Kimberly is a world-renowned author, designer, and Janome's own National Spokesperson. She will teach you her signature method to make this gorgeous star from Jelly Roll strips without "Y" or set-in seams using her Precision Precuts (or Precision Jelly Roll) Ruler. This class is a technique double-header, you'll also learn Kimberly's signature method for making absolutely perfect flying geese units using her Precision Flying Geese & HST Ruler with no wasted fabric, no math, and absolutely no stress! Kimberly will share many top tips sure to make your sewing time productive and fun, while you improve your precision piecing skills and learn how to conquer that elusive scant $\frac{1}{4}$ " seam once and for all!

Class Sewing Machines Provided by Janome America, Inc.

Kit Fee: \$50 includes full color pattern and all fabric for top.
