

April 14, 2021

Dear Residents:

While Sevier County is no longer under a mask mandate, our commitment to slowing the spread of Covid-19 in our community must remain a priority. Our efforts are essential to keeping our businesses and schools open. Mayor Waters and health department officials will monitor the situation and advise us accordingly.

Please know that individual business owners can and may require patrons to wear a mask. We ask that you please respect and abide by these policies. Additionally, please note that masks are required on all Pigeon Forge Mass Transit trolleys as well as in Great Smoky Mountains National Park, per federal guidelines, until further notice.

The Sevier County Health Department continues to offer vaccinations to residents over the age of 16. If you would like a vaccine, please visit <https://vaccinefinder.org/search/>.

We appreciate your ongoing efforts to keep our community and each other safe.

Sincerely,

A handwritten signature in black ink, appearing to read "David Waters". The signature is fluid and cursive, with a large initial "D" and "W".
