Welcome to the ***The Save All Quilt*** workshop! This super scrappy quilt can be made in any of three different sizes. Just chose what size block/quilt you would like to make and reference the yardage recommendations for your chosen quilt in the “Supply List”. Then follow the fabric preparation directions and cutting instructions for your chosen size. I’m really looking forward to seeing you soon.

**Kit Fee: PATTERN REQUIRED. You can order the pattern prior to class at [heartspunquilts.com](http://heartspunquilts.com) or purchase it in class at a discount.**

*Sewing Machine Required.*
