

Class 28 – EVENING BREEZE – Confident Beginner

\$75

Instructor: Linda Hahn

LC: North 1B

Maximum Students: 20

8:30 am – 4:00 pm (6 hour class)

Linda loves to play with blocks! Come play with her! There's plenty to learn. Students will learn how to break down the block components with simple quilters math so that they can easily substitute block components to work with the fabric they bring. We'll also play with fabric and color placement. This is a great class for those who would like to gain some color confidence or those who would like to use up some of their leftover fabric from other projects. Linda will share different construction methods for various components as well. This quilt is made block by block, so students can choose the final size.

Machine class – ¼" foot

Kit Fee: \$5.00 includes pattern
