

Class 4 – LATTICE STRING QUILT – Beginner/Advanced \$75

Instructor: Vicki Johnson

LC: North 2B

Maximum Students: 20

Monday, June 6

8:30 am – 4:00 pm (6 hour class)

Ever wonder what to do with all those leftover fabric scraps from your projects? Here's the answer...make a string quilt. Use focus fabric strips, stabilizer, and leftover fabric scraps (strings) to make blocks and then assemble them to create a beautiful, one-of-a-kind, string quilt top. If scrappy quilts aren't for you, use coordinated fabrics instead. Either way, you will end up with a beautiful finished quilt top.

Kit Fee: \$20 – Includes Lattice String Quilt Pattern (\$10) and Stabilizer Packet (50 – 8" x 8" squares) (\$10)
