

## Kentucky Crossroads ~ Class Supply List

Welcome to the *Kentucky Crossroads* workshop!! This quilt looks great in any two color combination OR with scrappy assorted color blocks. Choose one background fabric, and a bunch of different prints in your favorite color(s). Then, follow the fabric preparation directions and cutting instructions. I'm really looking forward to meeting you soon!!

### ★Preparations:

\* I highly recommend preparing your fabrics with spray sizing!! This step is optional, but will be an enormous help with every step of piecing. Thoroughly and evenly spray, saturating your *fabric yardage before cutting!!* Air dry or press it dry with a dry iron. I use Faultless Magic Light Hold spray sizing in the blue & white can available at Walmart, Target, and grocery stores. You may need several cans.

\*After sizing your fabrics cut your entire quilt following the cutting directions below. It will be very helpful to sort, label and bag the pieces for the *Kentucky Crossroads* blocks, and Framed Squares Sashing blocks, as it will help immensely with assembly.
