

The Save-All Quilts ~ Class Supply List

Welcome to the *The Save-All Quilts* workshop!! This super scrappy quilt can be made in any of three different sizes!! Just choose what size block/quilt you'd like to make, and reference the yardage requirements for your chosen quilt. Then, follow the fabric preparation directions, and cutting instructions for your chosen size. I'm really looking forward to meeting you soon!!

★Preparations:

* I highly recommend preparing your fabrics with spray sizing!! This step is optional, but will be an enormous help with every step of piecing. Thoroughly and evenly soak your fabric yardage before cutting!! Let it air dry, then steam press flat. I use Magic Spray sizing in the blue can available at Walmart, Target, and grocery stores. You may need several cans.

* After sizing your fabrics cut your entire quilt following the cutting directions for the quilt size you've chosen.

It will be very useful to sort and label the pieces as you cut them as it will help immensely with assembly.
