

Stars & Strips String Quilt

Skill Level: Beginner to Advanced

Description: This quilt pattern uses a Star Point ruler to cut focus fabric into Star Points and strings/strips cut from fabric scraps or coordinated fabrics. The Star Points and strings are then sewn onto sheer precut stabilizer squares to make blocks. The blocks are assembled and border(s) added to create a beautiful, one-of-a-kind, string quilt. Whether using scrap fabrics or coordinated fabrics, you will end up with a beautiful finished quilt top.

Kit Fee:
