Once again we are so excited to introduce another new view of the Smokies for all of our quilt fans. Join us for a “Block Party on Wheels” a.k.a. a Bus Tour of some of the most unique and interesting types of lodging in the Smokies. From specialty-themed inns to rustic cabins, air B&B’s, a vintage Motor Court or a sleek boutique, each place is sure to be of special interest and fascinating history. There will be some “sips and sweets” along the way, as well as quilts on display at various stops.

Kathy originally hales from the Great Plains city of Fargo, ND. Relocating to the mountains of East Tennessee many years ago, Kathy started putting her history teacher’s degree to work by developing and leading local tours for local bus companies. Kathy has also developed a following as a local storyteller. For the past several years, Kathy has been developing historical bus tours for our A Mountain Quiltfest guests. Along with her husband Mike, they make up the local duo known as “Hills & Hollows”.

A few of the places you will visit this year are Ely’s Mill, Inn at Christmas Place, Marshall’s Creek Rest Motel and Seaton Springs Bed & Breakfast. There will be others with NO DUPLICATION from previous years. There will also be a lunch stop during the tour. **Lunch is at participant’s expense.**
