

Class 45 – BRAID IN A DAY – All Levels

\$45

Instructor: Ann Drothler

LC: South 2

Maximum Students: 20

Thursday, June 9

8:30 am – 11:30 am (3 hour class)

Making the braids is so easy using a jelly roll (or your own 2 ½" strips) with the Wedge Ruler which is included in the Pattern. You will be amazed at how quickly you can create this quilt top. One jelly roll has enough strips to make the braids for up to a King-size quilt, and fabric requirements from Crib up to King-size are included.

Kit Fee: All requirements are included in the Supply List

Sewing Machine Required with 1/4" foot
