This is Pigeon Forge

Pigeon Forge is the ideal destination for your next meeting or event.
That's a bold statement, but we can back it up.

It all starts with location.

Pigeon Forge is located just six miles from the entrance to Great Smoky Mountains National Park. Beautiful scenery is the perfect backdrop for any meeting or event, and the Smokies provide amazing views for every season.

Options are important when looking for space, and you'll find a variety in Pigeon Forge. We can accommodate everything from a dozen to 12,000 people. Every venue or meeting space is equipped to fulfill your needs and guarantee a successful gathering.

Activities and entertainment add a special flair to any gathering. After a day in the boardroom, it's great to relax and have some fun. Pigeon Forge offers a variety of ways to have fun and connect outside of your meeting with more than 80 attractions, great theaters, over 100 restaurants and more.

Regardless of the location you choose for your gathering, you are never far from the activities that have made our town a magnet for travelers for more than 60 years. Pigeon Forge is slightly more than seven miles from end to end and a mere 13.4 square miles in total, so your after-hours entertainment is always nearby.

Now you know why Pigeon Forge is ideal for your next meeting or event. Need more reasons? Read on and prepare to be impressed with everything our town offers.

A Meeting Like No Other

PRE-PLANNING ASSISTANCE & PERSONAL ATTENTION

Hosting your successful meeting is our top priority.

Delivering a successful event is what we do best. We start by offering your attendees an opportunity to spend time at one of the premier tourism destinations in the Southeast. To ensure the positive outcome that you desire, we provide professional assistance throughout the planning process.

If you have questions or need our assistance in finding a Pigeon Forge facility that will meet the needs of your meeting or event, please contact our sales team at 865-429-7432 or info@lecontecenter.com.
