

Anita Chaisty, Magic Cat Quilt Shop, Knoxville, TN

Anita has been quilting for over 30 years and has been teaching quilting for 20 of those years. She is a Certified Studio 180 Design Instructor and has been working with Deb Tucker's rulers for over 20 years. Originally from Vermont, Anita has called Tennessee her home for the last 16 years. A love of color, fabric and all those things that make quilting wonderful is apparent in her joy of teaching others to expand their quilting skills. She describes one of her favorite things about teaching quilting is that “aha” moment when a quilter realizes that they really can do it and it looks great!
