

2024 A Mountain Quiltfest Guidelines for Quilt Show Entries June 4-6, 2024

(Quilt Delivery Dates & Return Information on Pg.4)

A Mountain Quiltfest is free and open to the public. There are no fees for entering a quilt in our show. The quilt must have never been entered in a previously judged category in A Mountain Quiltfest. There is NO limitation to the number of quilts that can be entered by one person or the number of quilts that can be entered into one category. **However, each entry MUST HAVE a separate entry form.**

Please Note: All entries, regardless of size, must have a 4" sleeve sewn to the upper back of the quilt, edge to edge. **Quilts without a sleeve will be returned to owner, no exceptions. For quilts longer than 110", the top edge of the sleeve must be 110" from the floor.** Quilts may be turned up from the bottom by basting or using safety pins only. If no other minimum size is listed, quilts must be at least 12" by 12" to hang in the show.

All quilts must be entered by the maker(s) of the top. All entries must be quilted through all three (3) layers. Tied quilts will not be accepted (except for Youth Category – Q). **A photo must accompany all entries.**

The entries will be hung as space permits, but all accepted entries will be displayed. **A Mountain Quiltfest reserves the right to reject, re-categorize or refuse to display any entry.** Note: Not all ribbons/prize monies will be awarded if a category has five or fewer entries. The quilt show will be professionally judged before the start of the show, and all decisions of the judges are final.

THEME QUILT FOR 2024

2024 Theme – What's The Point

Call them spikes, points or spears, they are a design feature frequently used in many stunning quilts. Whether used as part of a border, as an accent piece or as the central focus, spikes can bring a look of strength and power to a quilt. These spikes consist of one color or could be made from several fabrics to present a rainbow. The spikes must be the predominant feature in the quilt.

This category will be divided into large and small quilts. A large quilt will have a perimeter of 250 inches or larger. A small quilt will have a perimeter of less than 250 inches. These 2 categories are exempt for the Quilted By Another Restriction. Prizes will be awarded for both Large and Small These Quilt Category.
