### **Lecture Description**

This wonderful presentation will take you back in time where we will enjoy an amazing selection of antique quilts, but it won't stop there - a complement of beautiful scrappy quilts made by Edyta will be sure to inspire you to create. Squares, Triangles, Diamonds, and Strips; a medley of simple shapes are the building blocks of a quilting masterpiece.

Join me on this journey as we review the impact of simple shapes on scrappy quilting.

Evening includes: Buffet style dinner and a special gift.
