You will love creating charming house blocks in this fun and informative class. I will teach cutting, piecing, and finishing touches for your quilts. Students will make (3) houses in class and learn the techniques necessary to finish an entire village. This quilt is perfect in any color combination, but I am partial to blue and white. The kits provided will feature Blue fabrics as shown in the class image, but we will also discuss other color options in class. I look forward to seeing you there!
