### **CLASS DESCRIPTION**

The Vintage Windmill pattern combines charming color combinations with simple shapes to create a secondary design that is deceptively easy. Use the Creative Grids 60 degree Diamond Mini Ruler to cut diamonds and triangles from strip sets, then arrange your colors to create a one of a kind quilt with no Y seams! If you have been wanting to break out of the same old quilting routine and try something different, this pattern is just the thing.

**Finished size: 63" X 68"**
