## **DESCRIPTION**

This playful small quilt is fun to get done! Nursery prints make it a special gift for baby's tummy time. Home décor fabrics make a seasonal table topper or wall-hanging. The Fox & Geese by Teresa Varnes is a quick practice of the flying geese technique. Consistent perfect patches are easily accomplished using precise flying geese templates. We will be creating this colorful quilt from a variety of coordinated fabrics. Have fun planning the placement of each fabric for your uniquely designed quilt.
