Skill Level: Confident Beginner
Class Title: Fiesta
Cost: \$75
Instructor: Anita Chaisty
Room: LC: North 1A
Maximum Students: 20
Date: June 8, 2026
Time: 8:30am – 4:00 pm
Instructor Email:
magiccatquilts@att.net

DESCRIPTION: The Fiesta Quilt is a fun project. It looks great with a light background or dark background – your preference. You will get the opportunity to learn how to make rectangular triangles with the Split Rects tool. This project also uses the Corner Pop which is an outstanding tool that you will use in many projects in the future. The Corner Pop makes 21 different sized flip out corners or what some call snowball corners. It will help you make accurate single flip out corners or multiple flip out corners. The corners are made with less bulk, more accuracy, and without wondering if you have a square corner. So, come to the class and make a fun, easy quilt that goes together quickly and looks like a much more difficult block. The pattern comes in 3 sizes – throw, twin, and queen. We will be making the throw (57" x 71"). I will send you info for the other sizes if you need. A good quilt for all skill levels. Any questions contact me @magiccatquilts@att.net.

Discounted price for rulers and pattern - \$76

CLASS INSTRUCTION
