DESCRIPTION

Step into the world of Shibori, the centuries-old Japanese art of shaping and dyeing fabric to create mesmerizing patterns. In this hands-on workshop, you'll learn 5 Shibori techniques – Pleated and Tied, Scrunched, Arashi, Itajime, and Ori Nu Stitch. See how you can transform plain cloth into stunning works of wearable art. Using Joyce's NEW INDIGO FORMULA with Tsukineko inks, you'll watch your creations come to life as they shift from white to deep, luminous blue. This class is an invitation to play, discover, and connect with a timeless art form. You'll leave with your own hand-dyed textiles, ready to add to your quilts or wearable art—and the inspiration to keep creating.

Required Kit: \$30, payable to the instructor – includes indigo inks and tools for creating fabrics, needle, thread

You can pre-purchase the full set of inks or markers at a discounted price. To do so, please call Joyce at (713) 664-9943 at least one month before the show.
