

Michele Markey, Featured Instructor, Medina, TX

Bio: Michele saw her first long arm in 2002 and vowed one day she would have her own long arming business. She got her wish when she retired from the oil and gas industry in 2009 to start her own quilting business AND fabric store. (Sometimes you should be careful of what you wish for!) After three years of running both businesses, she sold the fabric business to focus on the long arm offering custom quilting and embroidery, machine rentals, long arm and coloring fabric classes and custom digitizing.

For the last 13 years Michele has been teaching classes both to groups and one-on-one in her studio, at quilt shops and quilt guilds. Michele specializes in painting long arm and embroidery patterns; developing a series of fabric painting classes that cater to all skill levels and expertise.

In 2025, she launched a series of quilting related guides, activity and coloring books on Amazon. These resources aim to help all crafters organize and enhance their creative skills!
