The objective of this program is to honor our local veterans. Applications will be approved in the order received. Banners are the property of the City of Pigeon Forge, and the city will determine when the banners are no longer presentable and will attempt to return unserviceable banners to the sponsor. The city will make every effort to protect the banners but is not responsible for lost, damaged, or missing banners. This program is made possible by a Tennessee America 250 Grant from the Tennessee Commission for the United States Semiquincentennial.
