

PIGEON FORGE
WINTERFEST WONDERS OF LIGHT DRIVING TOUR

Making Winterfest Shine

The lights of Winterfest bring a sparkle to Pigeon Forge from early November through the end of January. To get ready for the magical moment when the light displays are first turned on, we start working in mid-summer, checking more than 5 million light bulbs to ensure all are ready to glow for Winterfest. Once everything is ready to go, it takes approximately two months to put the displays up and about a month to take them down when Winterfest ends.
